K-6th Music Teaching Position

*This position is part-time (2 days/week) plus some Fridays for Staff Development and Fieldwork.

La Tierra Community School is seeking a highly qualified Elementary Music Teacher with experience in an innovative project-based learning environment. La Tierra Community School's mission is to provide an active, transformative educational experience that values a respect for diversity, academic rigor and a commitment to social and environmental justice. Our program uses the natural and cultural resources of the Southwest to foster local, relevant connections for children through place-based learning expeditions. We value each child's sense of curiosity and discovery, as well as their ability to think critically, reflect upon their world, and promote positive change in their community.

La Tierra Community School implements Expeditionary Learning as our active pedagogy. Our instructional practices are also specifically aligned with Arizona State, and Common Core standards for literacy and math. The teachers at La Tierra Community School are expected to be viable participants in a shared-leadership community. We collaborate to develop innovative curriculums, engage in meaningful professional development, and aim to inspire students through service learning, fieldwork, and a commitment to character education. Our faculty is comprised of dynamic, joyful and motivated professionals. We are looking for a dedicated educator with a passion for education, lifelong learning, and a sincere love of children.
