

2017-2018 First Grade Supply list

This year our crew will be sharing the majority of our crew supplies. The majority of our classroom supplies will be purchased in bulk or through a specialty supplier, therefore **each student is asked to contribute \$30.00** toward the cost of classroom supplies. Please make checks payable to La Tierra Community School and turn into the office by August 14, 2017. Students will have pencils and colored pencils with a triangular shape to help them learn the correct grip for writing. Some items purchased through this fund are writing tools, pencil carrying case, homework and school folders, crayons, and cleaning supplies.

Each student will also need the following items to bring to school each day. Please clearly label each of these items with your child's name.

- **1 backpack** (which will be carried to and from school daily). For your child's safety and comfort please resist the temptation to buy a very large pack for him or her to 'grow into'! You'll want it to be large enough to carry a lunchbox, a school folder, a water bottle, and a library book. When your child is wearing the pack (both shoulder straps in use) it should be about 2 inches above the waist. Backpacks will also be carried on fieldwork and to and from the library.
- **1 lunch box**
- **1 durable, reusable water bottle** for daily use at school- we do not have a water fountain at school. Water bottles are important to keeping your child hydrated and at their best throughout the day!

Please **do not label** the following contributions to our classroom community supplies:

- 2 reams white copy paper
- 1 package of (2) Elmer's glue sticks
- 1 or 2 boxes of Kleenex

Teacher wish list (optional!): These items would be used to help our class throughout the year, please do not feel obligated to purchase every item on the list. One or two from each family would be very much appreciated!

- colored copy paper
- masking tape, packing tape
- wet ones- wipes for hands

Thank you for your contributions to our community!
Please feel free to contact me if you have any questions.
