

Welcome to Spanish Class

Dear parents, ¡Hola - Hello!

Welcome to La Tierra Community School. My name is Trinidad Pecho and this is my 2nd year teaching here. I have worked in education for many years and hold Spanish teacher certification as well as a degree in Technical Computer Systems from my home country of Peru. This past May, I also graduated with honors from Yavapai College with Advanced Certification in Early Childhood Education. I am continuing my education in Elementary Education and Specialist Teacher in a Second Language. I am extremely passionate about teaching the Spanish language and culture and cannot wait to inspire my students to develop a love for the life-long learning of Spanish and other foreign languages.

When I'm not teaching, I enjoy spending time with my husband, Joel, and my two children, Selene and Dayana.

I am delighted to have your children in my class and I am looking forward to a successful year. I am always available for questions and may be reached at tpecho@latierracommunityschool.org.

Thank you for your support!

Mrs. Trini
