

WELCOME TO ART AND MUSIC

WITH MISS KELLY

Hello La Tierra Families!

I'm so excited to get back to school (virtually and eventually in-person) to see all your smiles again! For those of you who don't know me, I am Miss Kelly. This is my third year teaching Music at La Tierra, and my second year teaching Art. I have a great appreciation for the Arts and all things that make this world more beautiful. I love sharing that passion with others, and I've been working with kids and teaching for several years. I even teach several dance classes at a local studio after school.

This pandemic time has been strange and difficult for everyone, but like you I've been trying to make the most of it. I've spent time with my kids (they're 13 and 16), I've learned new skills (I can use a lot of tools now and build things), and I've spent more time on electronics that I ever have in my life! I am really looking forward to getting back to normal life.

Art and Music class will look very different this year as we begin Distance Learning. I'm doing my best to still keep it fun and easy to navigate for you at home. *fingers crossed* During this time, please don't hesitate to email me if you have any questions, and we will work through it together. This is a new adventure for us all!

"See" you soon!
