### **ART TEACHER**

La Tierra Community School is seeking a highly qualified, enthusiastic Art Teacher at our K-8 Public Charter School in Prescott, Arizona. This position will begin the 2023-2024 school year. La Tierra Community School provides active, transformative and integrative educational experiences that respect diverse learning styles and approaches. Our educational philosophy is inspired by the EL Education model and centers on experiential education elements that are inclusive, progressive and value-based. We value academic rigor, diversity and provide a student-centered learning environment that encourages growth in all developmental areas. Staff members believe in fostering a natural curiosity and promoting critical thinking and reflection. Our curriculum is based on a differentiated instructional approach, ensuring that each student's needs are met. Students are involved in project-based learning that explores diverse cultures, local and global perspectives, and environmental and social justice issues. The Art Teacher is responsible for creating lesson plans aligned with Arizona State Standards for grades K-8 and works with classroom teachers to incorporate art into classroom learning.

The art portion of this position is approximately with the additional 16 hours per week spent as a recess/duty monitor. Please call (928)445-5100 for more information.
